**LAPORAN PENILAIAN KINERJA LAYANAN KINERJA DOSEN**  
**SEMESTER GANJIL TAHUN AKADEMIK 2023/2024**  
**PROGRAM STUDI PJKR**  
**STKIP PASUNDAN**

**A. Pendahuluan**

Sistem Penjaminan Mutu Internal (SPMI), adalah kegiatan sistemik penjaminan mutu pendidikan tinggi oleh setiap perguruan tinggi secara otonom untuk mengendalikan dan meningkatkan penyelenggaraan pendidikan tinggi secara berencana dan berkelanjutan.

Sebagai salah satu penyelengara pendidikan tinggi, STKIP Pasundan berkewajiban melaksanakan SPMI. Secara kelembagaan, lembaga penjaminan mutu telah dibentuk di tingkat STKIP Pasundan yang disebut Lembaga Penjamin Mutu Internal (LPMI) dan di tingkat Program Studi (Prodi) dan Magister disebut Gugus Kendali Mutu (GKM).

Dalam rangka penjaminan mutu, GKM Program Studi Pendidikan Jasmani Kesehatan dan Rekreasi STKIP Pasundan melaksanakan beberapa program kegiatan, antara lain kegiatan penilaian kinerja pembelajaran dosen.

**B. Pelaksanaan Kegiatan**

Penilaian kinerja pembelajaran dosen dilaksanakan oleh mahasiswa setiap tahun sekali. Adapun waktu pelaksanaannya dua minggu setelah ujian akhir semester (UAS) pada semester ganjil dengan menggunakan instrumen dalam bentuk angket sebagaimana terlampir.

**C. Hasil yang Dicapai**

Dari 42 dosen yang dinilai hasilnya sebagai berikut

1. Berkategori **Sangat Kurang** (< 50) sebanyak 1 orang
2. Berkategori **Kurang** (51-60) sebanyak - orang
3. Berkategori **Cukup** (61-75) sebanyak 3 orang
4. Berkategori **Baik** (76 sampai 90) sebanyak 20 orang

5. Berkategori **Sangat Baik** (91 sampai 100) sebanyak 18 orang

#### D. Hambatan dan Saran

Walaupun GKM sudah berusaha, namun tetap saja ada hambatan yang dialami, yaitu:

1. Masih ada mahasiswa yang takut mengisi angket walaupun tidak memakai identitas.
2. Masih ada mahasiswa yang mengisi instrumen asal-asalan.
3. Masih ada mahasiswa yang pesimis atau meragukan tindak lanjut dari hasil penilaian kinerja layanan dosen Prodi PJKR

Untuk itu solusinya perlu ditingkatkan sosialisasi penilaian kinerja layanan dosen bagi kepentingan mahasiswa yang dijamin kerahasiannya dan tindak lanjut dari prodi atau lembaga.

#### E. Lampiran

Hasil pengolahan Instrumen penilaian kinerja pembelajaran dosen yang telah diisi oleh mahasiswa.

#### F. Penutup

Demikian laporan penilaian kinerja pembelajaran dosen semester ganjil Prodi Pendidikan Jasmani Kesehatan dan Rekreasi STKIP Pasundan Periode Tahun Akademik 2023/2024 ini disusun sebagai bentuk pertanggungjawaban, bahan evaluasi dan pertimbangan untuk pengambilan kebijakan lebih lanjut.
